NOTICE

ONLINE PARTICIPATION

As we have announced in Call for Proposals, the current climate of Covid-19 pandemic and climate change demands certain interventions in the format of international conference.

We at local organising committee for IASPM 2021 are keen to employ various measures to tackle those challenges.

As part of our intervention, we offer slots for online participation for those who do not wish to travel for conscientious, financial, or Covid-19-related reasons.

Please submit a 300-WORD STATEMENT to apply for online participation when you register for IASPM 2021 - please note, you DO NOT need to do this when you submit your proposal.

We will grant online participation slots for successful applicants. This applies to both panel and individual participation.

We are working out fee structure and conference formats for online participation. We will keep you updated on this topic.

If you have any queries about online participation, please contact IASPM 2021 Secretariat at iaspm2021@gmail.com
